# WE ARE PART OF ISLINGTON FOOD PARTNERSHIP

In order to help to reduce food poverty in Islington, as a community organisation we will:

- Join** Islington's Food Partnership to support the aims of the Food Poverty Action Plan, and contribute to aims we can have an impact on
- Commit** to paying London Living Wage to all staff and contractors
- Raise** awareness of what services and support are available for those experiencing or in danger of food poverty, in particular within hard-to-reach and at higher risk communities
- Deliver** food based services and support as a solution to multiple issues alongside food poverty, for example by:
  - Hosting workshops or trainings for service users, volunteers, staff and the broader community
  - Distributing resources and information to those that need it
  - Hosting a lunch club or action day
  - Host a community fridge
- Ensure** all services and support are designed to tackle root causes of poverty alongside providing crisis support
- Work** with other organisations across the Borough to provide coordinated support to beneficiaries, and reduce duplication of provision
- Share** best practice and expertise across organisations and stakeholders in the Borough
- Encourage** positive and empowering messaging, in particular presenting services and support as opportunities for:
  - Sharing food knowledge around growing, shopping and cooking
  - Learning new skills around food and cooking
  - Reducing food waste
  - Building communities, using food as a form of sharing and cross-cultural meeting
- Ensure** the accessibility of crisis support, for example out of hours services (*for food related third sector organisations*)
